

***Teaching For changed
Lives***

***Most great teachers
are made not born.***

Evaluate your teaching

Why do you teach?

**Have a vision for every
contact you have with
your students?**

**Know the purpose of every
lesson**

Matthew 7: 24-29

James 1: 22-25

Your mandate is clear . . .
Go into all the world and
make disciples

What is discipleship?

**Three characteristics we
should find in the life of a
growing disciple:**

Growing Disciples -

Know God Intimately

John 15:14-16

Growing Disciples –

Love God Passionately

Matthew 22:37

Growing Disciples –

Serve God Selflessly

John 21:16, John 15:13

**Is it really possible for
children, teens and adults
to become disciples?**

**We have our mandate, now
the question . . .**

***Are you willing to help the
students at your church
learn how to live for Jesus
for a lifetime and become
disciples?***

**If you believe it's possible
and you are willing to help
it happen . . .**

What will it take?

PREPARATION

**Allow God to speak to you
before you ask Him to
speak through you.**

PRAYER

Every student everyday

RELATIONSHIPS

**They don't care how much
you know until they
know how much you
care.**

**If you want to be a great
teacher . . .**

**Make the study of God's
word central to
everything you do.**

**If you want to be a great
teacher . . .**

**Teach them to hide God's
word in their heart.**

**If you want to be a great
teacher . . .**

**Teach them to pray about
everything.**

**If you want to be a great
teacher . . .**

**Become a great story
teller**

**If you want to be a great
teacher . . .**

Leave the results to God!
